

Oakhurst Elementary Adopt-A-Class

Our Adopt-A-Class Program allows individuals, local businesses or community organizations to financially adopt one of our classrooms. Your tax deductible donation will be used to purchase items from a classroom wish list such as supplies, books or math materials. In the beginning of the year, teachers are given a small budget that often does not carry them through the first semester. When their budget is depleted, the teachers often purchase items with their own personal funds.

This classroom partnership runs through the school year. If classroom monies are not used during the current year, the funds will roll over into a school wide account benefitting all Oakhurst students.

If you would like to participate, please fill out the below form and return it along with your contribution to the school office. All checks should be made payable to 'Oakhurst Elementary School'.

Please keep in mind, no amount is too small. Our teachers at Oakhurst are grateful for any support they receive!
