ADOPT-A-CLASS

Adopt-A-Class is a way to contribute to all the things your child's teacher needs in the classroom all year long. Teachers are given a small budget for the year that often doesn't carry them through the 1st semester. In addition, teachers pay for their copies, laminations, scissors, post it notes, and more out of their own pocket sometimes when their budget dries up.

You may not think that \$5 or \$10 is adopting a class, but **IT IS!** The good news is supplies are cheaper from the county;

\$5 will buy a stapler, staples, a tape dispenser & tape, scissors & a pack of sharpies! You can't match that at Wal-Mart. Teachers are very grateful for all the help they can get.

Please select the amount that best suits your families budget and let's **HELP OUR TEACHERS!** If your business donates \$20 or more, please include a business card so we can scan it and place it on the website.
